

We're looking for the best RNs in Texas to be nurse surveyors

Compassion and commitment are important attributes for any nurse. At the Texas Department of Aging and Disability Services (DADS), in the Regulatory Services Division, you will find a caring and dedicated staff.

Our mission is to ensure the health and safety of Texans who live in long-term care facilities or receive services from home health and hospice agencies.

Nurse surveyors play a vital role by ensuring that those caring for our most vulnerable citizens comply with laws, rules and regulations.

If you have compassion and commitment, please join our dedicated staff, and come to work where your work makes a difference.
