Subject: Department of Aging and Disability Services Fiscal Year 2014 February State Supported Living Center Expenditure Report

Dear Ms. Parks:

Enclosed is the fiscal year 2014 February monthly expenditure report for State Supported Living Centers (SSLC) as required by the 2014-15 General Appropriations Act (Article II, Department of Aging and Disability Services (DADS), Rider 36, Senate Bill 1, 83<sup>rd</sup> Legislature, Regular Session, 2013). Rider 36, in subsection (b)(1), requires DADS to provide actual expenditure data by SSLC to the Legislative Budget Board on a monthly basis. Spending is calculated on a modified accrual basis reflecting expenditures to the end of the report month.

Along with the 2014 report, DADS is also providing updated data for all of fiscal year 2013. Monthly and Year-to-Date expenditure data for fiscal year 2013 will continue to change for some time as claims are processed by the agency. The 2014 report contains ratios reflecting the number of residents per psychiatrist, direct support professional, and total employees at the statewide and facility level.

Please let me know if you have any questions or need additional information. David Cook, DADS Budget director, will serve as the lead staff on this matter and can be reached by phone at (512) 438-3177 or by email at David.Cook@dads.state.tx.us.

Sincerely,

James Jenkins  
Chief Financial Officer
